

SAFETY W.O.R.K.S. is the KESA Loss Prevention initiative that spells out our services to help KESA insureds work at safety.

We work together for the safety of all insured employees.

Observe the safety process to understand success and areas for improvements.

Recognize that safety programs and procedures are needed and required.

Know the safe way through leadership and continued training and education.

Safety awareness and promotion are essential to raise safety consciousness.

Visit www.kesa.org for complete program details.

WE OBSERVE RECOGNIZE & KNOW SAFETY

Training & Education

Online, web-based training, PowerPoint presentations, Topic Talks, and more to focus on specific safety behavior.

Safety Awareness Kit

Promotional tools and POR (Point of Risk) material to raise awareness that working safely takes work.

Dispatch Promotion

Complete coordinated campaign, mailed every month with Topic Talks, SAFETY NOTES (employee paycheck inserts), and mini-posters.

ePost Promotion

Topic Talk and mini-posters are **emailed**. Material focuses on the same monthly workplace hazard theme as the Dispatch Promotion.
